### YORK WINS CONCORDIA TOURNAMENT

The York University Yoewomen won the Concordia University Women's Hockey Tournament last Saturday evening by blanking the University of Toronto Lady Blues 1-0 in the Championship Final. The victory marks the third time York has won the Tournament since its inception in 1971.

Gail Stewart's goal at 11:05 of the middle period backed Debbie Lamb's shut-out goaltending and gave York the victory over Toronto. York advanced to the final with victories over Colby 5-1 and John Abbott 4-1. Toronto had earlier beaten pro-tournament favourite Providence Lady Friars 7-4 in a shoot-out on Friday night, and the host Concordia Stingers 3-1 in Saturday's other semi-final.

Concordia blanked Cornell 3-0 in opening round hockey, as Corinne Corcoran scored twice. John Abbott shut-out U.N.B. 1-0 in the other first round game.

Third place in the tournament went to John Abbott College who dumped Concordia 4-2 in a shoot-out. In the Consolation final Providence defeated Colby 4-0.

The All-Tournament team had Karen Ransom of Toronto in goal; Louise Duguay of John Abbott and Maureen Maloney of Concordia on defense; with Cindy Curley of Providence, Helen Murphy and Sue Howard of Toronto up front. Murphy was also selected the Tournament Most Valuable Player.

This Friday, the Stingers travel to John Abbott College to battle the Islanders in regular Q.W.I.H.L. play. The Stingers lead John Abbott by 2 points. This will be the last meeting of the year between the two clubs before the semi-finals take place.

CONCORDIA AT HOME IN BASKETBALL, HOCKEY

This Friday evening (February 12th) there will be a great deal of activity at the Concordia Athletic Complex. At 6:30 p.m. in the gym, the men's basketball team will host the Bishop's Gaiters, followed by the Concordia women and the Lady Gaiters at 8:30 p.m.

In the arena the men's hockey team will be hosting Laval at 7:30 p.m. on Friday. Sunday evening Concordia will host the McGill University hockey Redmen also at 7:30 p.m.
